Paragraph paragraphs Be longer than 500 symbols (about 100 words or 3-4 lines in the transcription tool). Time periods should be written with an apostrophe: '60s, '70s style; However, "that man is in his 70s" (no apostrophe) when the speaker uses symbols or equations (as a math lesson) is the work of the editor to save the transcription in Word format and enter those Formulas and symbols and then send that Word version [Protected Email] this because our tool does not support symbols or formulas. Follow customer requests for directions such as the new paragraph, comma, period or bullet point (use a dash). Use [Intelligible 00:00:00] when you can't understand what is said due to the speaker's speech mode, accent, et cetera. Day times and dates: Even capitalizes AM and PM. Speaker 2: some other text. The main rules: 1) In general, short and logical, grammatically correct phrases are preferred. This is because the quote itself is a question. "I, um, I wanted - I wanted to be a musician." Filling words like "Like", "Sai", "Yes", "mm Hmm", "Uh "Umm", "uh, um", "type of", "so", "oh" et cetera. Ready to start? Along with accuracy, editors will be evaluated by your files based on your grammar grammar and / or lack of research.
